

ARTS

Will I be able to pursue my passion?

**OUR RIVERFRONT
ART AND MUSIC
FACILITIES ARE
BEAUTIFUL AND
INSPIRATIONAL.**

ART IS FOR EVERYONE. Show the world who you are and what you think. Here, you'll not only get to go to the theatre, concerts and exhibits, you'll get to take center stage. There are so many things to try. So many ways to express yourself. Sculpture. Mixed media. Choreography. Whether you're dabbling or developing a college portfolio, our experts are here to guide you.

FINE ARTS NIGHT EACH TRIMESTER IS A SPECIAL EVENT. GIRLS PRESENT A CONCERT, DRAMA OR DANCE. AND EXHIBIT THEIR ARTWORK IN UPTOWN GALLERY STYLE WITH REFRESHMENTS.

At the end of every art class, the girls take a few minutes to clean up and play with leftover paint and materials, just for the fun of it.

ART IS MORE THAN SONG AND DANCE. *It integrates and solidifies a girl's personality. It provides a healthy forum for personal expression and self discovery. It builds confidence. It develops spatial and critical thinking skills. And for the lucky few it becomes their life's work. We believe that art, in all its forms, contributes to the beauty and growth of the individual and society, whether she is a spectator, an enthusiast or a connoisseur, an amateur, a professional or a star.*

**ART IS ESSENTIAL TO
THE WELL-LIVED LIFE.**
